## **Whealers Lane Watermain Infrastructure Works Northbound Lanes of Wheelers Lane approaching Myall Street Roundabout**

Dubbo Regional Council (Council) wish to advise of upcoming Wheelers Lane watermain infrastructure works on northbound lanes of Wheelers Lane approaching the Myall Street roundabout. Works are expected to commence Monday 27 November 2023, with completion by Tuesday 5 December 2023.

This work will result in improved road safety, by relocating watermain valves from trafficable road areas. Council must close the northbound lanes for approximately five to seven working days weather permitting. A detour will be in place, as shown on the attached map. Council will endeavour to limit the impact on residences and businesses and will liaise with residents prior to impacting access.

Council acknowledges the inconvenience these works may cause, especially to local residents and businesses and thank you for your continued understanding during these infrastructure improvement works.

To keep up-to-date on the overall project including improved road works simply visit 'Your Say' on Council's website <https://yoursay.dubbo.nsw.gov.au/wheelers-lane-rehabilitation-stage-2> click the '+ Follow' button at the top (left side) of the project page. If you are following the project you will receive notifications of updates as the project progresses.

If you have any further concerns please contact the undersigned, during normal office hours, on 02 6801 4000.
