## Dubbo Urban Heavy Patching Road Repairs

Council wishes to advise residents and local businesses that heavy patching road repairs have been programmed for the below streets (see attached maps):

- Yarrandale Road – Allen Road intersection
- Yarrandale Road – between Cobbora Road and Merrilea Road
- Boundary Road – between Palmer Street and Margaret Crescent
- Tamworth Street – between Thorby Avenue and Darling Street.

The road repairs are programmed to start on Thursday 1 February 2024 in Yarrandale Road, repairs will then move onto Boundary Road and lastly Tamworth Street. The work is planned to be completed by Saturday 10 February 2024, weather permitting.

Due to this work, 'Stop' and 'Slow' traffic management will be in place during the day. Council crews will carry out a door knock on the day of the work for residents that will have affected driveway access. Access will return to normal on the same day.

Further details on the impact on traffic, and to keep up to date on the project, please visit Council's 'Your Say' page at the following link, and click the '+ Follow' button at the top left-hand of the project page.

If you are following the project, you will receive notifications and updates as the project progresses.

Council acknowledges the inconvenience these works may cause, especially to local residents and businesses, and thank you for your continued understanding during these infrastructure improvement works.

If you have any further concerns please contact Council's Operations Coordinator, Simon Warman, during normal office hours on 6801 4842.

Simon Warman  
Operations Coordinator West
