08 February 2024

Wheelers Lane Stage 2 Upgrade from Railway Crossing to Myall Street

Dubbo Regional Council (DRC) wishes to advise that starting from Friday 16 February 2024 vehicle access to properties will be impacted as works continue along Wheelers Lane.

The affected properties are on the eastern side of Wheelers Lane, between Myall Street to Wentworth Street (see attached map). For reference the properties include 201 Myall Street, 32, 34, 36, 38, 40, 42 Wheelers Lane and 2 Wentworth Street.

Residents will be restricted from parking in their driveways or in front of their properties for one (1) week. Council staff will liaise with affected residents closer to this date to minimise disruption as much as possible. Pedestrian access, via the foot path, will remain open.

Further details on the impact on traffic, and to keep up to date on the project, please visit Council's 'Your Say' page at the following link, and click the '+ Follow' button at the top left-hand of the project page.

<https://yoursay.dubbo.nsw.gov.au/wheelers-lane-rehabilitation-stage-2>

If you are following the project, you will receive notifications and updates as the project progresses.

Council acknowledges the inconvenience these works may cause, especially to local residents and businesses, and thank you for your continued understanding during these infrastructure improvement works.

If you have any further concerns please contact Council's Project Engineer, Satish Bandela, during normal office hours, on 0418 882 839.

Satish Bandela
Project Engineer
