## **Wheelers Lane Stage 2 Upgrade from Railway Crossing to Myall Street**

Dubbo Regional Council (DRC) wishes to advise that starting from Monday 26 February 2024, vehicle access to properties will be impacted as works continue along Wheelers Lane.

The affected properties are on the western side of Wheelers Lane, near Myall Street and Wheelers Lane roundabout (see attached map). For reference the properties include 27, 29, 31, 33, 35, 37, 39 and 41 Wheelers Lane.

Residents will experience limited access to their driveways and restricted parking in front of their properties for a period of one (1) week. Council staff will liaise with affected residents closer to the date to minimise disruption as much as possible. Pedestrian access, via the footpath will be restricted during this time.

Further details on the impact on traffic, and to keep up to date on the project, please visit Council's 'Your Say' page at the following link, and click the '+ Follow' button at the top left-hand of the project page.

If you are following the project, you will receive notifications and updates as the project progresses.

Council acknowledges the inconvenience these works may cause, especially to local residents and businesses, and thank you for your continued understanding during these infrastructure improvement works.

If you have any further concerns please contact Council's Project Engineer, Satish Bandela, during normal office hours, on 0418 882 839.
