Wheelers Lane Stage 2 Upgrade from Railway Crossing to Myall Street

Dubbo Regional Council (DRC) wishes to advise that starting from Monday 26 February 2024, there will be temporary changes to traffic conditions as works continue on the Wheelers Lane upgrade project.

The northbound lanes near the Wheelers Lane and Myall Street roundabout will be subject to a temporary closure and a detour will be in place (see attached map). The traffic control arrangement is planned to run for (1) one week, weather permitting.

Further details on the impact on traffic, and to keep up to date on the project, please visit Council's 'Your Say' page at the following link, and click the '+ Follow' button at the top left-hand of the project page.

If you are following the project, you will receive notifications and updates as the project progresses.

Council acknowledges the inconvenience these works may cause, especially to local residents and businesses, and thank you for your continued understanding during these infrastructure improvement works.

If you have any further concerns please contact Council's Project Engineer, Satish Bandela, during normal office hours, on 0418 882 839.
