## **Tamworth Street Pavement Reconstruction Project (Fitzroy Street to Palmer Street)**

Dubbo Regional Council (DRC) wishes to advise residents and local businesses that the Tamworth Street Pavement Reconstruction Project (Stage 2 – between Fitzroy Street and Jubilee Street) is programmed for commencement on 15 April 2024.

These works are aimed at improving the pavement performance by complete reconstruction of the existing pavement. Council anticipates that these 'Stage 2' works will take approximately one (1) week to complete, weather permitting.

During each work shift road closures will be required. These closures will be in place from 7 am to 4 pm. The road will be re-opened to traffic at the conclusion of each shift.

Council understands that these works may impact access to footpaths, driveways, and businesses. Please be advised that there will be some noise associated with these works, however, Council will endeavour to minimise the disturbance as much as possible.

For further details on the impacts to traffic, and to keep up to date on the project, please visit Council's 'Your Say' page at the following link, and click the '+ Follow' button at the top left-hand of the project page.

If you are following the project, you will receive notifications and updates as the project progresses.

Council acknowledges the inconvenience these works may cause, especially to local residents and businesses, and thank you for your continued understanding during these infrastructure improvement works.

Should you have any questions in relation to this courtesy notice please contact Council's Project Engineer, Umesh Khatri, during normal office hours on 0473 801 993.

A handwritten signature in black ink, appearing to read 'Umesh Khatri', with a horizontal line drawn through the middle of the signature.
