Pricing Policy

FCR – Full Cost Recovery

Price set to recover the full cost of providing the goods/services. In determining whether this principle is appropriate consideration is given to whether there are community service obligations or equity issues that would warrant an alternative pricing principle.

IS – Industry Standard

Price is set to an industry standard.

MB – Market Based

Price is set by reference to local market prices. Fees are set to be competitive with local service providers.

NC – No Charge

No price charged for the service.

PCR – Part Cost Recovered

Price is discounted to below the full cost of providing the goods/services in recognition of a community service obligation. Funding for these services is sourced from other revenue and by charging a nominal fee to help offset the cost of providing the services.
