2023

Wheelers Lane southbound construction, from Birch Avenue to Railway Cross (Wheelers Lane Stage-1 upgrade).

Dubbo Regional Council (DRC) wishes to advise that the Wheelers Lane Southbound road upgrade from Railway Crossing to Birch Avenue (Stage 1) has been programmed to commence on 22nd May 2023, with the entire project expected to be completed by November 2023 (weather permitting).

This work will result in improved road safety, by providing complete reconstruction of the road pavement and subsoil system. This project will commence from Wheelers Lane Lot 72 to the Birch Avenue Lot 48 as shown in attached map.

There will be disruptions to traffic movements while work is underway, and a suitable Traffic Control Plan will be in place on 22nd May 2023. During this period, Council will endeavour to keep one lane open in the southbound direction. However, due to the nature of this works, Council crew need to place the road closure for approximately 12 weeks at some stage of the construction, and two weeks' notice will be provided prior to road closure. Council will endeavour to limit this impact on residences & businesses and will liaise with residents prior to impacting access.

DRC acknowledges the inconvenience these works may cause, especially to local residents & business. We thank you for your continued understanding during these infrastructure improvement works.

If you have any further concerns please contact Council's Project Engineer, Satish Bandela, during normal office hours, on 02 6801 4836.

Matthew Grebenc
Senior Project Engineer
