2023

Wheelers Lane southbound construction, from Birch Avenue to Railway Cross (Wheelers Lane Stage-1 upgrade).

Dubbo Regional Council wishes to advise that the reconstruction of the southbound lanes of Wheelers Lane from the Railway Crossing to Birch Avenue (Stage 1) has commenced as of 22 May 2023, with the entire project expected to be completed by November 2023 (weather permitting).

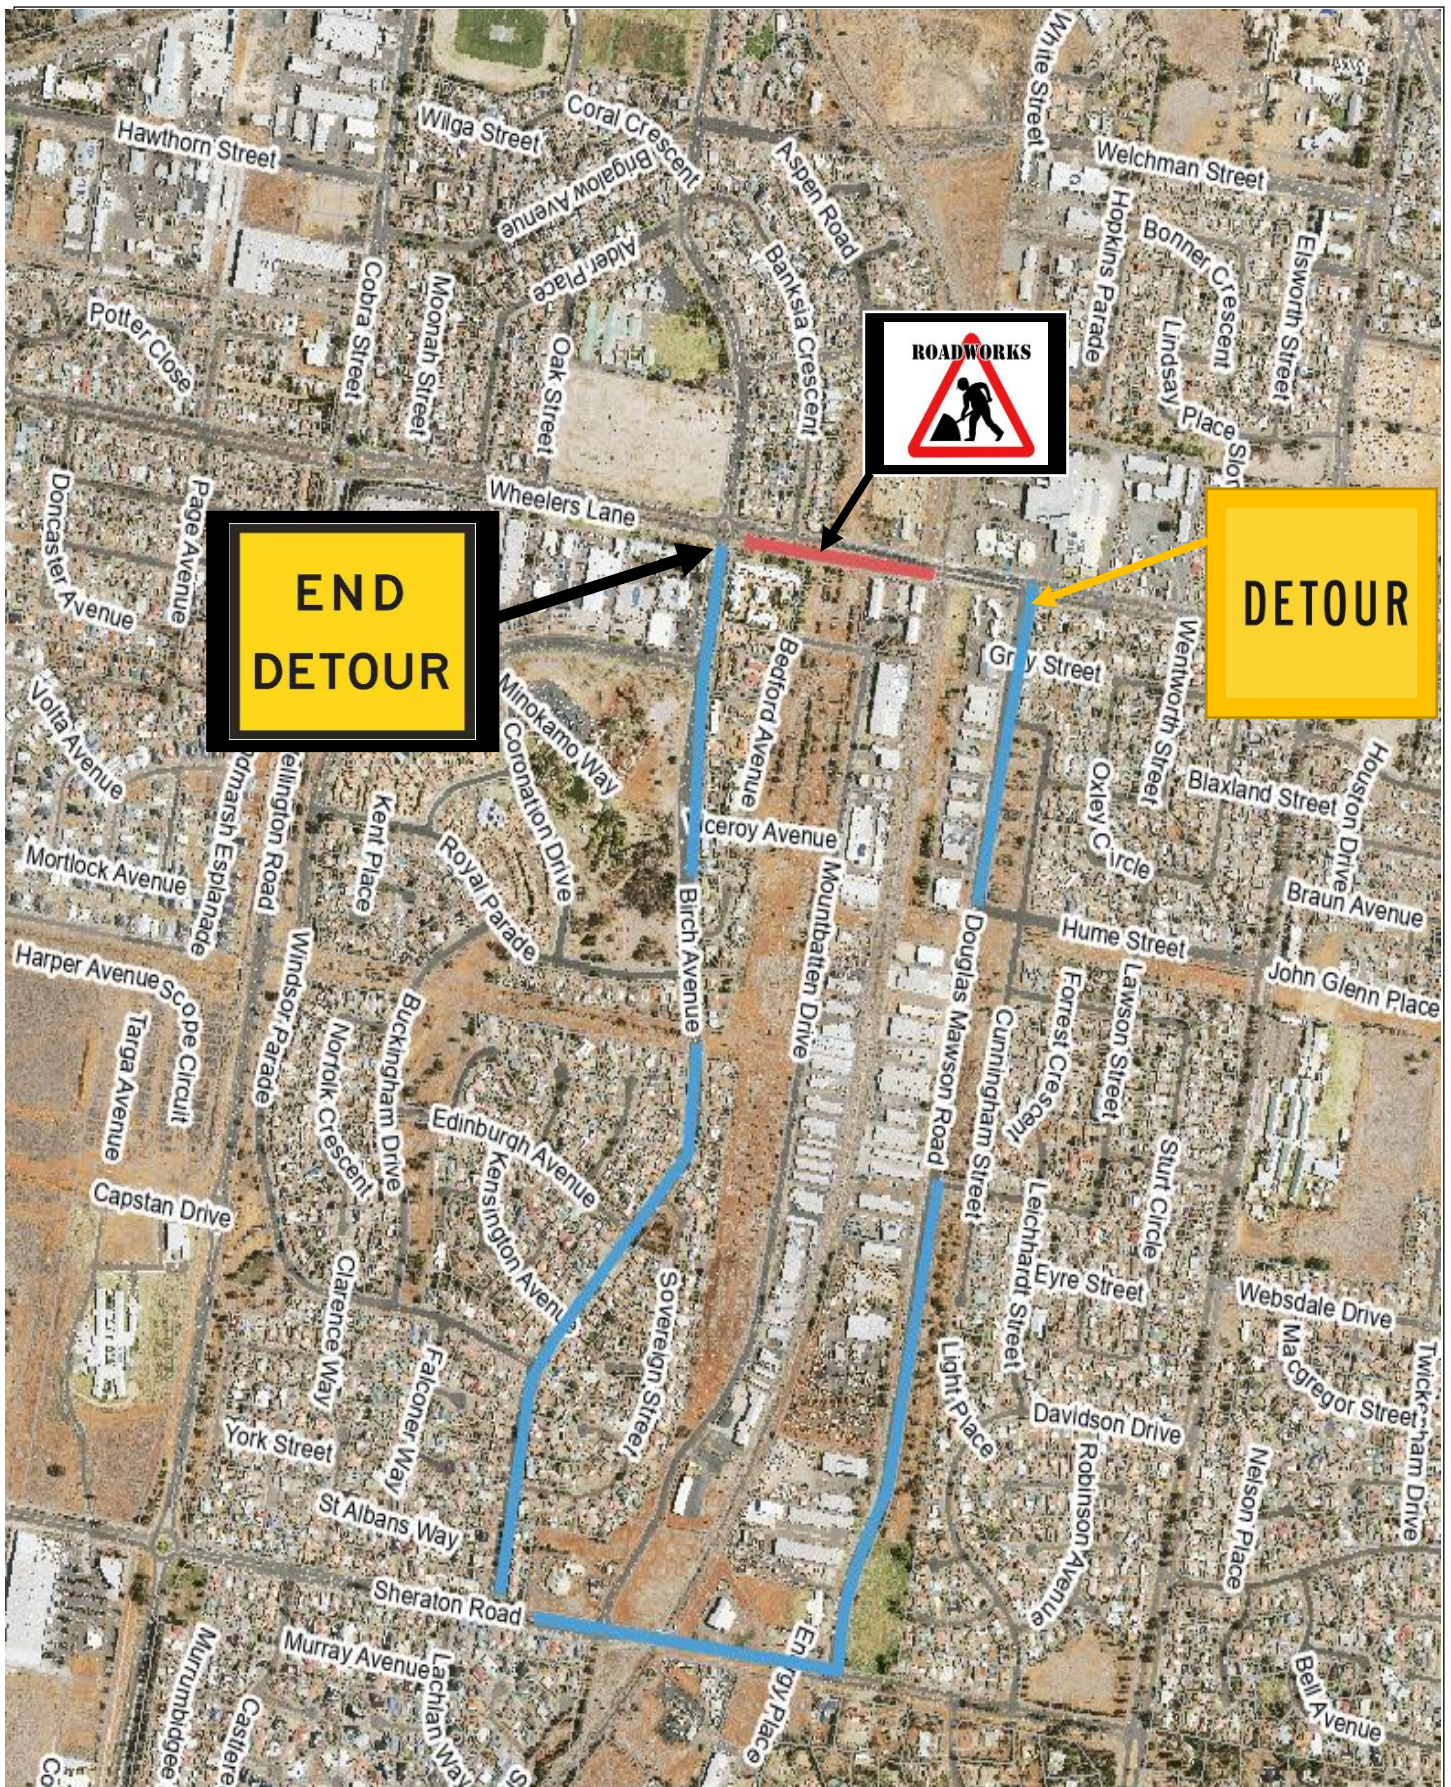

This work will result in improved road safety, by providing a complete reconstruction of the road pavement. As notified earlier this month, due to the nature of these works, Council must close the southbound lanes for approximately 8 to 12 weeks, weather permitting, starting from 5 June 2023. A detour will be in place as showed on attached map. Council will endeavour to limit this impact on residences and businesses and will liaise with residents prior to impacting access.

To keep up to date on the project simply visit Your Say (<https://yoursay.dubbo.nsw.gov.au/wheelers-lane-rehabilitation>) and click the + Follow button at the top of the project page. If you are following the project you will receive notifications of updates as the project progresses.

Council acknowledges the inconvenience these works may cause, especially to local residents & businesses and thanks you for your continued understanding during these infrastructure improvement works.

If you have any further concerns please contact Council's Project Engineer, Satish Bandela, during normal office hours, on 02 6801 4836.

Matthew Grebenc
Senior Project Engineer
